
Grand Marshal Macie
Legendary Creature — Human Performer
You may choose not to untap Grand Marshal Macie during your untap step. If you do, put a pause counter on it, then you lose 1 life for each pause counter on it.
Whenever Macie becomes untapped, remove all pause counters from it.
2, : Choose an “until end of turn” or “this turn” effect. As long as Macie remains tapped, that effect doesn’t end.
