Oozeavite 4

Creature — Ooze R

Oozeavite enters with each of a vigilance, reach, trample, and hexproof counter on it. These are also +1/+1 counters. If Oozeavite would be dealt damage, instead create a 0/0 green Ooze creature token and move a counter from Oozeavite onto it. Then if Oozeavite has no counters on it, sacrifice it.
3G, T: Move any number of counters from other creatures you control onto Oozeavite.
Designed by players at MagicCon Amsterdam 2024.
