

April O'Neil, Hactivist

30

A digital illustration of April O'Neil, a young woman with curly red hair, wearing a yellow lab coat over a black shirt. She is in a high-tech control room, interacting with a large screen displaying a wireframe model of a hand. The room is filled with various monitors and equipment, all with a blueish, digital glow.

Legendary Creature — Human Scientist

At the beginning of your end step, draw a card for each card type among spells you've cast this turn.
