

A black and white illustration of a man in a dark coat and hat, possibly a chaplain, falling through a large, ornate Gothic window. Debris is flying around him. The card is titled 'Defenestrate' and is an Instant spell that destroys a target creature without flying. The artwork is by Daren Zaborcki.

Defenestrate 2 

Instant 

Destroy target creature without flying.

The chaplain would perhaps have found some small comfort had he known that the replacement window would be named in his honor.
