Elspeth, Sun's Champion 4

Planeswalker Legend

Put 4 loyalty *(use counters)* on Elspeth. Opponents can attack Elspeth as though she were you. Any damage she suffers depletes that much loyalty. If Elspeth has no loyalty, she abandons you.

Once during each of your turns, you may add or spend loyalty as indicated for the desired effect —

+1: Creates three Soldiers. Each is a white 1/1 creature. Represent Soldiers with tokens.

–3: All creatures in play with power 4 or greater are destroyed. *(This includes your creatures.)*

–7: For the rest of the game, creatures you control gain +2/+2 and flying.
