

Ajani, Strength of the Pride is a Legendary Planeswalker. He is depicted as a white tiger with a golden helmet and armor, holding a large golden axe. The card features a red mana cost of three (2***) and a loyalty mechanic with three levels: +1, -2, and 0. The +1 level grants life equal to the number of creatures you control plus the number of planeswalkers you control. The -2 level creates a 2/2 white Cat Soldier creature token named Ajani's Pridemate with the ability "Whenever you gain life, put a +1/+1 counter on Ajani's Pridemate." The 0 level exiles Ajani, Strength of the Pride and each artifact and creature your opponents control. The card is illustrated by Chris Rallis and is part of the 2014 Wizards of the Coast Magic: The Gathering set.
