

The image shows a Magic: The Gathering card titled "Wild-Magic Sorcerer". The card is a Creature — Orc Shaman with a power/toughness of 4/3. The illustration depicts a muscular Orc Shaman in a red robe, casting a powerful spell that creates a large, swirling red and orange magical effect. The card text reads: "The first spell you cast from exile each turn has cascade. (When you cast your first spell from exile, exile cards from the top of your library until you exile a nonland card that costs less. You may cast it without paying its mana cost. Put the exiled cards on the bottom of your library in a random order.)". The card is set against a dark, textured background.
