

A detailed illustration of Mizzix of the Izmagnus, a goblin wizard. He is depicted as a small, mischievous-looking goblin with large, pointed ears and a wide, toothy grin. He is wearing a dark, ornate robe with a high collar and a small, glowing blue gem on his chest. He is seated on a large, mechanical, spherical device that resembles a bomb or a spell-casting apparatus. The device has several glowing blue and purple lights and is surrounded by various mechanical components, including gears, pipes, and a large, dark, cylindrical structure. He is holding a long, thin, glowing blue staff or wand in his right hand. The background is dark and atmospheric, with a large, glowing blue sphere (possibly a moon or a planet) in the upper right corner. The overall style is that of a high-quality fantasy illustration.
