

Beholder's Charm Ray

3

Bribery

An illustration of a Beholder, a large, multi-eyed creature with a central eye and many smaller eyes around its head. It is casting a pink, shimmering ray of light towards a group of adventurers. The adventurers are in a dark, cavernous setting with various creatures and objects scattered around.

Sorcery

Search target opponent's library for a creature card and put that card onto the battlefield under your control. Then that player shuffles.

"On a failed save, target creature becomes charmed."
