Ghirapur Grand Prix

Plane - Avishkar

When you planeswalk here, all players start their engines! (*If you have no speed, it starts at 1. It increases once on each of your turns when an opponent loses life. Max speed is 4.*)

At the beginning of your end step, put X +1/+1 counters on target creature you control, where X is your speed.

When you planeswalk away from Ghirapur Grand Prix, each player with the highest speed among players creates three Treasure tokens.
