Cyclone 2

The illustration depicts a powerful cyclone with a large, swirling eye in the center of a dark, stormy sky. Debris is being blown into the air. In the foreground, the domes and minarets of an ancient, Middle Eastern-style building are visible, partially obscured by the storm. The scene is dramatic and atmospheric.

Enchantment

At the beginning of your upkeep, put a wind counter on Cyclone. During your upkeep, pay ♣ for each wind counter on Cyclone or bury Cyclone. If you pay, Cyclone deals 1 damage to each player and each creature for each wind counter on it.

The illustration is a vertical rectangular card with a dark green border. At the top, the word "Cyclone" is written in a stylized, light blue font. To the right of the title, there is a circular icon containing the number "2" and a small tree symbol. Below the title and icon is a large, vibrant illustration of a cyclone. The sky is a deep blue with swirling white and yellow clouds. A large, golden, domed structure, possibly a temple or a city, is visible at the bottom, with a tall, thin spire rising from the left. The overall style is that of a classic Magic: The Gathering card illustration.

An illustration of a powerful cyclone or storm swirling in a dark blue sky. In the foreground, the golden domes and minarets of an Islamic-style building are visible. A tall, thin spire rises from the left. The sky is filled with dark, swirling clouds and many small, dark figures, possibly birds or debris, being caught in the storm. The overall mood is dramatic and ominous.
